Afternoon Batch - 12.30 p.m. to 4.30 p.m.

MSBSDE Batch - 8.00 a.m. to 4.00 p.m.

DIPLOMA IN DESIGN

Fashion Technology

This course blends the basic and advanced fashion principles and elements with a strong focus on understanding the ever changing dynamics of the industry.

- **Diploma in Fashion Technology - MSBSDE (2 years)**
- **Advanced Fashion Technology - Institutional (1 year)**

Fashion is the armour to survive the reality of everyday life - Bill Cunningham
It is surreal being able to transfer an idea to a paper design and then to garment. We teach you to do that in a way that fashion becomes an integral part of who you are, so you can unleash your creative potential.

Subjects

- English (Communication Skill) • Business Economics • Basic Design
- Computer Applications • Colour Theory • Paper Pattern Making
- Garment Making • Accessory Design • Embroidery • History of Fashion
